

NEW PUBLICATION AVAILABLE

The three-volume Bush Site mitigation report, *Plantations without Pillars: Archaeology, Wealth, and Material Life at Bush Hill*, by Melanie Cabak and Mark Groover is available free of charge on 3 CDs, compliments of the US DOE. In addition, Volume I (Context and Interpretation) has been printed by the Savannah River Archaeological Research Program with non-government funds, and is available at cost (\$18.00 including shipping). The CDs are free upon request, whether or not you purchase the printed version of Volume I. Please contact Gary Coleman at SCIAA (803-777-8170) with your orders.

VOLUME 1 • 2004

PLANTATIONS without Pillars

Archaeology, Wealth, and Material Life at Bush Hill
